

SFR Renovation Feasibility Report

SERVICE OVERVIEW

Evaluate a SFR renovation project's budget and scope of work to ensure all key costs have been identified and adequate funds are appropriately allocated

What's Included:

- ✓ Assessment of budget line items relative to the scope of work
- ✓ Identification of potentially overlooked line items
- ✓ Compares project budget against scope of work to ensure consistency
- ✓ Identification of problematic line-item descriptions for future inspections
- ✓ Overall project funding adequacy assessment
